Re: California Department of Transportation  
FY 2010-2014 STIP Amendment

Dear Ms. Falsetti:

The Federal Transit Administration (FTA) has reviewed your letter, dated March 17, 2011, requesting an Amendment Number 2 of the San Luis Obispo Council of Governments' (SLOCOG) FY 2010-2011 – 2013/14 Statewide Transportation Improvement Program (STIP) to include the projects listed on the attached sheet.

We accept this Amendment in accordance with 23 CFR 450 and find that this amendment was developed based on a continuing, cooperative and comprehensive transportation planning process in accordance with the 23 USC 134 and 49 USC 53. The changes made to the program by this amendment are considered exempt or are regarded as minor project revisions that do not require a conformity determination [40 CFR §93.126].

This letter constitutes approval and inclusion of Amendment Number 2 into the California FY 2010/2011 – FY 2013/14 Federal Statewide Transportation Improvement Program (FSTIP) with the understanding that FTA funding on individual projects is subject to FTA grant requirements.

If you have questions about our review, please call Mr. Jerome G. Wiggins, at (415) 744-2819.

Sincerely,

Leslie T. Rogers  
Regional Administrator
